EXPERIENCE

- Partner & Creative Director

Nov 2023 - Jan 2025

Krishibari Estates • Dhaka, BANGLADESH

 - * Led end-to-end design and development of a boutique resort on a 5-acre site, from concept to operation.
 - * Utilized advanced 3D modeling (Keyshot, Twinmotion, Unreal Engine, AutoCAD, 3ds Max) for architecture, landscape, bespoke furniture, and interiors.
 - * Directed multi-disciplinary team (architects, contractors, designers); managed all construction aspects including infrastructure, multiple buildings, pool, and interiors.
 - * Pioneered innovative, cost-effective solutions (e.g., shade sail structure with integrated misting system).
 - * Independently managed pre-opening marketing: website development, SEO (Semrush), content, and highly efficient Google Ads campaigns (\$0.06 avg. CPC).
- Chief Strategy Officer

Jul 2023 - Dec 2023

Madchef • Dhaka, BANGLADESH

 - * Led strategy and operations for a major national restaurant chain (16+ branches, 550+ employees).
 - * Directed process re-engineering; implemented digital inventory/POS systems and secure online cash handling protocols.
 - * Optimized procurement, recruited key management, and oversaw the opening of 3 new branches.
 - * Spearheaded corporate restructuring under a single holding entity for fundraising/IPO/acquisition readiness.
 - * Led marketing strategy, focusing on innovative "talk trigger" customer experiences; secured improved supply/co-marketing deal with Coca-Cola (\$15k+ value).
- Strategy & Management Consultant

Mar 2023 - Jul 2023

Dhaka Tribune • Dhaka, BANGLADESH

 - * Advised Editor-in-Chief & Owner on strategic modernization of Bangladesh's second-largest English newspaper.
 - * Restructured Advertising dept. with performance-aligned incentives; led digital transformation integrating Google Ads/Analytics.
 - * Directed new website design/development/SEO; revamped social media strategy implementing data-driven content and social listening.
 - * Modernized publishing workflow (transitioned to QuarkXPress); established new revenue-generating content partnerships.
 - * Implemented organizational improvements and performance-based bonuses enhancing talent retention.
- Co-Founder & Product Designer

Jun 2011 - Nov 2022

JJA Search • New York City, NY

 - * Co-founded a pioneering financial wealth intelligence firm; developed proprietary systems analyzing high-value US transactions using public records, data analysis, and skip tracing.
 - * Led product strategy and managed a team of 14 researchers/programmers processing ~1,500 prospects/week.
 - * Served as principal client advisor, guiding C-level teams (NetJets - exclusive provider, JP Morgan, Goldman Sachs Private Wealth) on leveraging data for strategic decisions.
 - * Contributed to securing 34 contracts worth ~\$4.17M; advised on pricing and business development strategy.
 - * Executed 5 successful executive searches for wealth management clients (\$530k fees).

EDUCATION

- Bachelor of Arts in Economics

Jun 2009 - Jul 2013

Princeton University • Princeton, NJ

Senior Thesis: Analyst Optimism Explained Through Credit Cycles and Behavioral Finance
